

Doro 8030

EXTRAORDINARILY EASY

Doro 8030 is no ordinary smartphone. Instead of complicated choices a unique "I want to" button greatly simplifies communicating, finding, enjoying, and sharing what you want with whom you want. A simple, non-technical questionnaire sets the phone up to suit your specific needs, and a built-in coach provides more help when you want it. Doro 8030 also comes with convenient services like My Doro Manager and Doro Connect and Care that, along with the built-in Assistance button, provide more ways to feel safe and secure than any other smartphone.

- ✓ Navigate with ease
- ✓ Feel completely supported
- ✓ Enjoy full speed entertainment
